

Luxury Trail Company provide a range of high quality bike styles to meet your requirements. Our bikes come with all the accessories you will require including gel seat covers, comfort grips, helmet and panniers to carry your extra gear.

Choose from the following styles

Mountain Bike

A mountain bike with front suspension and 29 inch wheels for a faster rolling ride.

E-Bike Step Thru (Recommended)

The Step Thru model makes it easy for mounting & dismounting. With a comfortable upright position with both front and rear suspension to provide the most comfortable ride.

E-Bike MTB

An electric mountain bike with top tube. Suited for those that want a more dynamic riding position.

Luxury Trail Company offers Full Suspension E-Bikes on request, upgrade price applicable. Please talk to us if you wish to upgrade.

Full Suspension E-Bike*

A playful full suspension E-Bike providing you with extra travel and battery range for those seeking a more demanding ride. Please note this bike is much heavier to handle. Suitable for experienced rider only.

*Upgrade price applicable
